

Session Four
Chapter 5 in *The Violence Project*
November 6, 2022

Read the paragraph at the bottom of page 77 and onto page 78. What is your reaction to the list of all the things the perpetrator of a mass shooting was experiencing? How does it make you feel that no one had put all these things together before the perpetrator killed five classmates?

Examine the diagram on page 80. Note the question posed by the authors at the bottom of the page. What is your response to the question?

What makes relationships so critical in preventing mass shootings? (p. 81ff)

Describe the work of P3 Campus (p. 83ff). What makes them effective?

Why do the authors recommend funding crisis response teams over hardening schools? What make them more effective?

What would a crisis response team look like at a school? A church? Who would be on them?
