## Next Sunday's Worship - March 10, 4th Sunday in Lent

Philippians 2:5-11, \*Mark 15:1-15; "Centered"

Picture or use your imagination of Jesus standing before Pilate as the crowds yelled and demanded, "Crucify him, Crucify him." What do you see? What do you hear? What do you experience? What do you feel? One of the words that I use to describe Jesus as I visualize him before Pilate is the word centered. But what does it mean to be centered? Furthermore, how is it possible for us to be centered in the face of difficulties, in the face of the dark side of life?
