

Creation Care Survey

“The earth is the Lord's and the fullness thereof, the world and those who dwell therein.” —Psalm 24:1

What areas would you like to see the church addressing/doing/thinking about?

Please check any or all boxes.

- Efficient heating and cooling, windows, insulation
- Renewable sources of energy
- Green practices on church grounds
- Reducing waste, including plastics
- Locally sourced foods
- Advocating for people especially harmed by the effects of ecological deterioration (e.g., poor air and water quality, climate-intensified natural disasters, heat)
- Creation care prayers and liturgies; observing the Christian Season of Creation (September 1-October 4), Earth Day
- Studies about ecology, the environment, climate change and its impacts, loss of biodiversity, understanding the ecological needs in our communities

What other area(s) would you like to see the church addressing/doing/thinking about?

How can the church help you be a steward for God's creation?

Let us know what you are doing to be a good steward now!
