Has anyone ever used a passage in the Bible to hurt you? If so, which one?

The First Presbyterian Church of Port Angeles is a community of people of all ages who believe in Jesus Christ as the Son of God and who seek to follow his teachings. We come together to worship God, to grow in our love and support for each other, and to learn about God's will for our lives. Guided by the Holy Spirit, we go out to the community and the world to share our faith and to serve others.
